THE SILVER PLATFORM.

The silver wing of the Repub-

lican State Convention, unanimously

adopted the following platform:

The convention endorses and

adopts the platform of the Repub-

lican State Convention, held at Va-

city on the 30 of April last, as fol-

lows:

Resolved, That we condemn the

Republican party of the Eastern

states and the administration of

President Harrison, insofar as they

have failed to accomplish the com-

plete remonetization of silver, and

to enact laws providing for the

free and unrestricted coinage of

that metal.

Resolved, That the restoration

of silver to the place it occupied

previous to the passage of the

Mint Act of 1873, is essential to

the prosperity of the country and

paramount to all other political

considerations. The legislation

which robbed silver of its money

functions and denied to the owner

of silver bullion the right to have

the same coined into money upon

the same terms and conditions

which apply to the coinage of gold,

reduced the money of ultimate re-

demption or payment, about one-

half, and enabled the owners of

money and obligations payable in

money to monopolize the coin of

the commercial world.

Resolved, That the people of

Nevada are in favor of the coin-

age of silver upon the same con-

ditions which apply to the coinage

of gold, and they are opposed to

elevating any person to office who

is not known to be unequivocally

in favor of creating the Mints of

the United States to the free and
